Statement from the director on the evaluation report of the BC CAS

Statement from the director of the Biology Centre of the Czech Academy of Sciences on the final report of the evaluation of research and professional activities of research-oriented institutes of the Czech Academy of Sciences for the period 2015 – 2019.

Statement on the final report

I hereby confirm that the BC and the individual research teams accept the conclusions proposed by the evaluation commissions 4 – Earth and environmental sciences, 5.2 – Biological sciences A, 6 – Biological sciences B, 8 – Medical and health sciences in the revised final evaluation report.

In conclusion, I would like to thank the members of the evaluation commissions for their work on evaluation of BC and its research teams and thank them for their extraordinary efforts in evaluating our research activities. We received important feedback for further improvement of the research in the next evaluated period. Many thanks also go to all those who participated in the demanding administrative and IT support of our international evaluation.

With most cordial regards,

Yours sincerely,

Libor Grubhoffer
Director of BC CAS
