### **Statement from the director to the Reassessment of the Commission No. 5 – Earth and related environmental sciences**

We respect the statement of the Commission and we do not require further reassessment of the Final report, although we do not fully agree that the Commission didn't take into account our comments from January 20, 2016. We are aware of the difficult task of the Commission to come to fully objective conclusions within the short time available.

České Budějovice, February 24, 2016

**Prof. Ing. Miloslav Šimek, CSc.**  
Director of the BC
